

***ELPS Updates***  
***November 14, 2021***

With a short week of school the week of November 22 for Thanksgiving Break, there will be no district updates sent out next weekend. They will resume Sunday, November 28.

**Board of Education Meeting – Monday, November 22, 2021**

The ELPS Board of Education will be holding its next regular meeting Monday, November 22 at 7:00 p.m. in the Board Room in East Lansing High School. The meeting will be held in person and will be live streamed.

Here is a link to access the recording of the November 8 meeting: <https://www.nfhsnetwork.com/schools/east-lansing-high-school-east-lansing-mi>

Under "Other Events," click "On Demand" - you should see the link to the 11/8 meeting.

**No School next Wednesday, November 24 - Friday, November 26**

Just a reminder that we have no classes next Wednesday, 11/24 - Friday, 11/26 for Thanksgiving Break.

**ELPS COVID-19 Vaccination Clinics for Children Ages 5 - 11**

Last Tuesday, the Ingham County Health Department held a vaccination clinic at East Lansing High School for newly eligible children. The date for the second dose is Tuesday, November 30 - appointment times are the same as they were for this past Tuesday.

Our next clinic is scheduled for this Saturday, November 20 from 10:00 a.m. - 3:00 p.m. with second doses Saturday, December 11 at the same time. As of this morning, there were just a few appointments available.

If you previously made an appointment and have since found a different source for your child's vaccine, please go in and cancel your appointment so we can make that time slot available for others still seeking an appointment.

**Both clinics will be held in the Student Union (cafeteria) at East Lansing High School. Please park in the lot behind the tennis courts and enter the building through Door #8 (Night Activities Entrance). Staff will be there to provide direction. A parent/guardian must accompany each student, and only one**

**adult will be allowed in the union for each child in order to allow as much distancing as possible.**

### **Additional Opportunities for COVID-19 Vaccination**

There are many other sources for scheduling the COVID-19 vaccine for you or your child. This list is not exhaustive, but you may be able to find an appointment that is more convenient for your family. Some of these links may show no appointments currently available, but please monitor them for new appointment openings.

### **New MMS and ELHS Positions Added - Still accepting applications!**

The transition back to school has been challenging for some students after having spent up to 18 months out of school. To prepare for these anticipated needs, additional counselors, social workers and student advocates were hired to add student support. Since our fall return, we have identified a need for additional supervision and support in our halls and on campus, especially during unstructured times like passing time, lunch and before and after school. Last week, ELPS posted new positions for MacDonald Middle School and East Lansing High School to provide additional supervision and support for students. There are two Student Support Monitor positions available at each building - the roles and responsibilities are listed in the postings below. If you or someone you know is interested in applying for one of these positions, please see the following postings for job details and the application link:

### **COVID-19 Reporting and Communicating**

Here is a link to the district's COVID-19 dashboard. Positive school-related cases must be posted on this site within 24 hours of the district learning of the case. If we are notified of a case over the weekend, updates will be posted Monday.
