

ELPS Updates
November 28, 2021

Board of Education Meeting – Monday, December 13, 2021

The ELPS Board of Education will be holding its next regular meeting Monday, December 13 at 7:00 p.m. in the Board Room in East Lansing High School. The meeting will be held in person and will be live streamed.

Here is a link to access the recording of the November 22 meeting: <https://www.nfhsnetwork.com/schools/east-lansing-high-school-east-lansing-mi>

Under "Other Events," click "On Demand" - you should see the link to the 11/22 meeting.

ESSER III Funding Stakeholder Input Survey

East Lansing Public Schools is applying to receive Elementary and Secondary School Emergency Relief (ESSER) Funds to address learning recovery from the impact of COVID-19. These funds are designated for one-time or short-term expenditures to address the ongoing impact of the pandemic.

ELPS is seeking input from stakeholders to determine how the district should utilize these resources. Please take a few minutes to let us know your opinion by completing the survey below.

School staff, parents/guardians, students and community members are encouraged to participate.

The survey will close Monday, December 6 at 8:00 a.m.

ELPS COVID-19 Vaccination Clinic - Dose 2

If your child received their first vaccine dose at our November 9 clinic at East Lansing High School, they should return this Tuesday, November 30 for their second dose. Appointment times are the same as the Nov. 9 clinic. The clinic will be held from 3:00 - 7:00 p.m. If you are unable to come at the same time as your previous appointment, please come any time during the clinic.

If your child received their first vaccine dose last Saturday, November 20 at ELHS, please plan to return for a second dose Saturday, December 11 between 10:00 a.m. - 3:00 p.m. - appointment times are the same as they were for the first dose.

Clinics are held in the Student Union (cafeteria) at East Lansing High School. Please park in the lot behind the tennis courts and enter the building through Door #8 (Night Activities Entrance). Staff will be there to provide direction. A parent/guardian must accompany each student, and only one adult will be allowed in the union for each child in order to allow as much distancing as possible.

Here is an FAQ document for Ages 5 - 11 vaccinations: [FAQ COVID-19 Vaccine for 5 - 11](#)

With our two onsite clinics, approximately 400 children between the ages of 5 - 11 received their COVID-19 vaccination! If you are still seeking a vaccine appointment for your child, the Ingham County Health Department and many local pharmacies and grocery stores (Rite Aid, Walgreens, Target, Meijer, Kroger, and more) are offering the vaccine.

Holiday Giving Opportunity to Support ELPS Families

We had an overwhelming response last year to our request for support for families over break and would like to provide support to our families over the upcoming two-week winter break as well. We have two ways families and community members can contribute.

- 1. Make a Donation** - We will use these funds to purchase food, personal care items and/or gifts for students and their families. Please write the check to ELPS and send to the address below.
- 2. Purchase and Donate a Gift Card** – This will allow families to purchase food, gifts or other needs during their time away from school. Purchase a gift card(s) from the list provided below in any increment, and we will get these in the hands of our families while doing our best to match these gift cards to our families' needs and wishes. Please write the amount on the gift card.

Donations and gift cards will need to be received by the end of the day December 14th so we have time to distribute items to families before break.

Suggestions for gift cards:

- Meijer
- Kroger
- Walmart
- Target
- VISA Gift Card
- Local pizza place that delivers

Donations & Gift cards can be mailed to:

ELPS Support c/o Superintendent's Office
501 Burcham Drive
East Lansing, MI 48823

OR... Dropped off at any ELPS school main office

To Request Support for your Family

Please contact your school principal, counselor, social worker or reach out directly to Nick Hamilton, Director of Student Support Services, at nick.hamilton@elps.us.

Updated Board Policy Manual Available for Review

The Board of Education's Policy Committee has spent many months reviewing available policy manual services, selecting a policy manual service and updating and individualizing Board policies. The draft policy manual is available to the public using the link below. The manual is currently being reviewed by all Board members and will come to the Board for action at one of the next couple Board meetings. Please utilize the Board Contact Form if you have input or feedback regarding Board Policy.

New MMS and ELHS Positions Added - Still accepting applications!

The transition back to school has been challenging for some students after having spent up to 18 months out of school. To prepare for these anticipated needs, additional counselors, social workers and student advocates were hired to add student support. Since our fall return, we have identified a need for additional supervision and support in our halls and on campus, especially during unstructured times like passing time, lunch and before and after school. Last week, ELPS posted new positions for MacDonald Middle School and East Lansing High School to provide additional supervision and support for students. There are two Student Support Monitor positions available at each building - the roles and responsibilities are listed in the postings below. These positions do come with full benefits. If you or someone you know is interested in applying for one of these positions, please see the following postings for job details and the application link:

[MMS Student Support Monitor](#)

COVID-19 Reporting and Communicating

Here is a link to the district's COVID-19 dashboard. Positive school-related cases must be posted on this site within 24 hours of the district learning of the case. If we are notified of a case over the weekend, updates will be posted Monday.
