

## ***ELPS Updates August 22, 2021***

*While not the start of school we expected or hoped for, we are extremely excited to have our students back in person and are hopeful for the coming year. Our staff has been working hard to prepare for a positive return and experience for all of our students, and I want to again express my gratitude for your continued flexibility and support over the past 18 months.*

*Sincere thanks - Dori Leyko, Superintendent*
