

ELPS Updates

Sunday June 7, 2020

ELPS Return to School Work Groups

- We have received over 150 applications to serve on one of three Return to School Work Groups. We recognize that some of our families and students have been focused on addressing racial injustice through their organization and participation in protests and other activities this past week. The opportunity to apply will remain open through this Wednesday, June 10 at noon. We are committed to ensuring diverse representation on these committees. Here is the link to apply – we are looking for students, too! https://docs.google.com/forms/d/e/1FAIpQLSeJ6RBsgD6dVe_q11D1OTQmMWvtuYi9DBJ-OU76bpSRGiop_A/viewform?usp=sf_link

Meal Distribution

- We will continue to provide meals through the summer!
- Meal distribution will occur on **THURSDAYS ONLY from 12:00 – 1:00 p.m.** at East Lansing High School.
- We will provide a week's worth of breakfasts and lunches in each box and gallons of milk. We are now also providing boxes of fresh produce each week and are distributing cloth masks for children and adults as well. Thanks to Jessy Gregg and the Seams sewing community for donating masks for our families – the response has been amazing!
- We will continue with home deliveries for families who are unable to pick up meals. Please email dori.leyko@elps.us if you are unable to pick up meals. Thanks to our ELPS teachers and staff who are continuing to volunteer to deliver meals through the summer. Please email me if you need masks delivered with the meals.

Commencement for the Class of 2020

- As communicated by ELHS administration, commencement is scheduled for July 19, 2020. The format for the event will be determined once we get closer and have a better idea of what Phase our region will be in at that time. Stay tuned and watch for communication from ELHS.

Athletics

- Due to the recent Executive Order and guidance from the Michigan High School Athletic Association (MHSAA), school athletic workouts may resume! Since our last day of school was Friday, June 5, outdoor summer athletic activity may resume Monday, June 8, with a number of restrictions and requirements for screening, social distancing, etc. Please contact the appropriate coach with questions or contact Athletics and Activities Director Nikki Norris at Nicole.norris@elps.us.

How to keep up to date with new information and district plans...
