Playground

- Lorraine has met with several companies for quotes and recommendations that fit our needs
- She needs someone to take over playground as she does not have adequate time to devote to it. It is a much larger project than originally anticipated
- Student leadership team polled the entire student body to determine what was most important to them. Results were the attached 2 pieces of equipment or similar. Cost would be roughly 38,000.
- We voted to start Phase 1 of fundraising for \$50,000 for equipment, installation and other needs for the grounds
- Summer Minnick volunteered to begin fundraising timeline, but we will need to find someone to head fundraising soon.
- Cathy Foster will draft donation letter to go out before the end of the year for 2014 tax purposes

Recess

- There are needs for additional help at recess. Especially PM indoor recess.
- Option for walking club activity in the gym on T/R, but need 2-3 people to regularly commit.

Additional
